

Vivi Guerra

I'm proud to assist my neighbors with quality customer service as they reach their real estate goals.

Outside of Golden Door Realty, I enjoy spending my extra time with my family. Like many families in Pecos, my children are involved in sports. This means a lot of traveling for us.

When we get a break from the sports activities, we enjoy playing card & board games, watching movies and hanging out with our guinea pig and 5 dogs.

Professionally, I spent 13 years working in the prison system. I learned a great deal about communication in that role. I bring my organizational and communication skills to my new team and clients. Working for Golden Door is just an amazing experience.

I look forward to being part of the team that makes so many people the fulfillment of entering into a new journey with a new home or property.
